Dear Mr. Baksh:

I am very pleased to extend my sincere congratulations to you on being named as a 2019 inductee to the Manitoba Sports Hall of Fame. This well-deserved induction is a worthy acknowledgement of the outstanding contributions you have made to the sport you love, the community and to Manitoba's rich and storied sport history.

It is a unique honour to be recognized in such a permanent fashion and you should be proud of what you have given to cricket as an elite international athlete and as an ardent supporter of cricket development here in Manitoba. Your many accomplishments are now there for future generations to see and appreciate. I am certain that this induction is also important on a personal level and it is something that your family and friends can celebrate and always remember.

My colleagues in government are proud to join me in recognizing your achievements as you take your rightful place in the Manitoba Sports Hall of Fame. Please accept my best wishes.

Yours sincerely,

Honourable Cathy Cox
Minister of Sport, Culture and Heritage
